Respected Sir/Madam

Introduction:

I, XXXXX permanent resident of Dharadi,01 Chinnasbas,Syangja will like to study abroad for my higher studies. I have passed my HSEB examination (class 12) with second division in 2014 from Amar Singh H S School. I am a student of management and studied Business Studies, Economics, Accountancy during my HSEB level. I have passed the School leaving certificate examination first division in 2012 from Jyoti Kunj Secondary English School. After that I want to uplift my further education in abroad so has taken three months IELTS preparation classes and given the exam on 2016.07.16 and scored overall 5.5.

Now I want to get admission in Diploma level in abroad for higher Education. I have ever desire to study in foreign country to get quality education and to face an ideal environment to build my personality, skill, knowledge & ideas to utilize my knowledge in the relevant field, it's all can be satisfied by getting good quality and standard of education. Quality of education will also make me able to compete in the upcoming competition in job market because the world is changing at a rapid speed, the business boundaries are expanding, Multi-nationals are operating in each corner of the earth and shortly it will turn into global village. I want the quality and standard of education in world. I want to get professional education and recognized degree in my life that charms my educational career. Therefore I have decided to go to abroad for higher education. It will help me to build a nice personality through standard education and it will help me to improve my general knowledge by sharing ideas with international students and then I will be able to fight for progress of my country in my relevant field.

Why I choose the Australia for study:

Australia is one of the world's most exciting countries. Australia has created a good reputation in the world of education and now Australia is the most ideal country for higher education. It is a place where people live and work and it is also an educational country with many universities, colleges, schools and other institutions of learning, and a lively international student environment. Living and studying in Australia can be very rewarding and puts you at the centre of great social, cultural and educational opportunities. This great country caters for a wide variety of different tastes, styles, fashions, cultures and communities, and offers an enormous range of sights and historical buildings which are some of the most enjoyable things to see and experience.

Why Perth in Australia?

When studying more about Australia, I found that Perth will be best place for me to live and learn. The city has a long tradition of welcoming international students. In any given year, Perth attracts over 42,000 student enrolments from over 140 countries. It is one of the most affordable places of Australia to live standard life, study in world class institute with highly sophisticated education infrastructure. Including this it is very close to major tourist destination where I can explore the beauty of Australia. Beside this the city host number of multicultural events each year. Its multiculturalism is for people like me is a social paradise. In 2016, Perth was ranked in the top 10 of the most livable cities in the world (Economist Intelligence Unit).- So; I personally prefer to stay in Perth, Australia for my higher education.

Why study in Australian Technical College, Western Australia?

With my research I found ATCWA is a good college to host my study, offering education that provides the knowledge and skills needed for success. It provides me with a safe environment to study & the opportunity for industry work experience, The qualification that I will receive in ATCWA is a step towards my goal and career in my chosen field. The facilities offered by the college will help me gain experience to be it social, during my interview with the college I found the international student support team of the college is friendly & supportive, the reputation of the college is higher & the location is superb. After knowing the fact I finally decided to peruse my further study in ATCWA, I am sure working under the guidance of well-educated and qualified faculty of this college it will definitely help me in transforming my dreams to reality.

Why the course certificate IV in Business, Diploma of Business and Advanced Diploma of Leadership and Management in ATC?

Business is my subject of interest. When I complete the **Certificate IV in Business Administration** I will be set for a career with expanding possibilities: in office management, business administration, and project coordination. Along with that, academic skills are an essential an important consideration to me. There is a demand of good and qualified graduates in management field always in Nepal or in abroad. Top companies, banks prefer to hire foreign educated graduates of management sectors.

Diploma of Business, which I intend to do, covers a range of topics related to the industry. This intensive program provides student with practical experience and the solid theoretical background. I will acquire valuable experience in making presentation to groups, working in effective teams, and with workplace health and safety.

Advanced diploma of leadership and Management course will strengthen my leadership skills and abilities in all areas of management. It opens up a range of further study options, and it assists me for further studies & entry to university.

My goal is to secure a position in reputed companies as an administrators and project officers. In this role, I will use well-developed skills and a broad knowledge base to apply solutions to a defined range of unpredictable problems and analyze information from a variety of sources. I will gain all skills & abilities after completing the above mentioned course from ATCWA. I always want to grow with the Organization.

I would be happy to provide any further information for your evaluation of my application if required.

Sincerely Your's
